

# DORADO®

Frame Width: 140 mm

Weight: 29 Grams

Base Curve: 8

The lightweight, contemporary full frame of the Dorado® features dual lenses for improved protection and 100% visual correctness. Comfort-fit rubber temples and nose pieces prevent eyewear from slipping while also providing maximum comfort.

## BH9G

Optional removable flame-resistant foam gasket is available for all Dorado® safety glasses.

| Style                                                                               | Lens                                             | Frame            |
